10 Health & Safety

Health & Safety is of paramount importance to U3A Dandenong Inc. As older citizens we are more likely to be exposed to Health & Safety situations and less likely to be able to avoid them. Members are expected to comply with the [Health and Safety Policy](#) and other U3A Dandenong Inc. [Policies and Procedures](#) found on the U3A Dandenong Inc. web site

We have a committee member who is dedicated to minimising risks to your Health and Safety when involved in U3A Dandenong Inc. activities. Expect to see regular contributions in the newsletter and Class Notices.

Health and Safety requirements may change to maintain compliance with regulations. Any changes in requirements will be documented and these documents uploaded to the web site and communicated to members by Tutors through class notices.

It is also our intention to include Health & Safety in our induction workshops. All members may be called upon from time to time to participate in Health & Safety training either as part of an existing class or as a specific activity.

Always store items in appropriate locations so they don't become trip hazards or block access to emergency equipment. (eg bags on the floor)

10.1.1 Evacuations

Due to the variety of public venues used in the course of U3A Dandenong Inc. activities, please follow directions provided by your tutor. If an evacuation is required, evacuate the building promptly and stay together as a group to make it easier for your tutor to ensure all class members have evacuated the building safely. The tutor should take the marked roll to account for class members.

Your Tutor will liaise with building or emergency services as required. Do not re-enter the building unless advised by your Tutor that it is safe to do so.

10.1.2 Medical

Members are solely responsible for ensuring their medical and physical fitness for classes involving physical activity such as Cycling, Walking, Line dancing and all Exercise classes.

Prior to any class involving physical activity, members must be personally satisfied they can complete the activity and if uncertain they should not attend on the day.

Members must wear or carry their U3A Dandenong Inc. identity name tag including details of any emergency contact telephone number, relevant medical condition or vital medication, to alert medical professionals who may be called on their behalf.

A first aider is to be identified for each physical activity class and where possible for every other class.

If required, the Automated External Defibrillators are located in the Paddy O'Donoghue centre, Latham Crescent and Senior Citizen clubs and Endeavour Hills Leisure centre. Use the AED in accordance with the instructions from Emergency Services or the manufacturer's instructions.

Any incident requiring first aid is to be reported to the U3A Dandenong Inc. office and can be done via the Tutor. Tutors need to ensure they are aware of who is the First Aider for their activity.

10.1.4 **Calling an Ambulance**

U3A Dandenong Inc. has a duty of care to its members and others to call an ambulance in the event of a medical emergency.

If the member or other person resists the need to call an ambulance and it is believed urgent medical attention is required, an ambulance is to be called regardless of the wishes of the member or other person.

Any costs incurred will be the responsibility of the member or other person receiving treatment or service from paramedics or other medical professionals.

Persons applying for membership and members are to be informed and are required to accept the policy as a condition of membership of U3A Dandenong Inc.

It is essential to immediately call "000" Emergency Services for an ambulance when symptoms such as; uncontrollable bleeding, cardiac arrest, heart attack or suspected heart attack (even if mild), unconsciousness, unresponsiveness, chest pain, suspected or fractured limbs or any other severe symptoms are present.

Follow any instructions from Emergency services and remain in contact until the paramedics arrive.

Ascertain from the paramedics the hospital to which the member or other person is to be conveyed.

If the member is not able to notify their emergency contact themselves, the person nominated on the member's U3A Dandenong Inc. identification badge as the emergency contact is to be immediately notified.

Make arrangements for any property including e.g., motor vehicle to be collected, delivered or secured as appropriate.

The Accident Report form is available on the dandenongu3a.org.au site under [about Us / Health and Safety](#)

Dandenong U3A Inc. requires incidents that occur as part of a Dandenong U3A activity to be reported immediately to the Health and Safety officer who will notify the President. The Tutor or person organising the activity is to ensure the incident notification is done immediately and completed report is email to

healthandsafety@dandenongu3a.org.au and president@dandenongu3a.org.au

(note signature of affected person may not be able to be obtained at the time and this should not delay sending a draft copy to the Health and Safety officer)

All incidents are to be reported by the health and safety officer to our insurers as soon as possible (within 24 hours preferred)

- a) Emergency Services will be notified (telephone 000) immediately

11 Tutors

Without tutors, there would be no U3A. We depend on these members to volunteer and facilitate classes. Sometimes this means passing on skills to others and sometimes it just means bringing people together to do something. The something might be no more than arranging a regular coffee chat. That still fulfils our purpose as it brings people together to talk, think and learn.

The tutor's responsibilities include:

- To work with the Program Coordinator in order to schedule and locate their class.
- Awareness of Emergency procedures to exit the class.
- Ensure that they know where the first aid kit is located and who is the nearest first aider.
- Ensure they know where the AED is located in venues which have an AED.
- General Health & Safety awareness.
- Maintain a register of attendees and submit it (weekly) to the office and ensure only members who have paid their membership attend their classes.
- Attend Tutors meetings and workshops.
- Provide feedback including articles in the newsletter.
- Conduct classes in a manner that respects all present.
- To provide feedback to the Program Coordinator if there are any venue issues.
- To encourage others to become tutors particularly by seeking their participation in tutoring "their" class. This may include coordinating a roster for members of the class to take their turn.
- Ensure the venue used for their course is left clean, tidy and all equipment is returned to its storage location.
